Case Number 14cv159

Dear Mr. Yount:

Enclosed herewith are duplicate copies of Waiver of Service along with Notice of Lawsuit and a copy of the complaint, which I filed this day with the United States District Court in Gulfport, Mississippi.

Should you decide to not waive service, I will have the complaint served upon you by process server and will file a motion with the Court to make you pay the associated costs for service of process.

Sincerely,
